"My Learning Journey Diary" for

Week beginning: Monday 30th September 2024

This week we will be learning about our families

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Encourage your child to name all of their family members.
- Can you help your child to draw their family tree?
- Read the story of 'Stickman' by Julia Donaldson
- Can your child order their family by height? Who is the tallest? Who is the shortest?
- Look through your family photo album and encourage your child to reminisce about past experiences
- Does your family have any pets? If so can your child draw a picture of them? If you do not have a family pet, what animal would be their favourite
- Can you play a game where you reverse your family roles to act out a scenario?

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
