-----	----------	---------	---------	--------	--

Week beginning: Monday 31st March 2025

This week we will be learning about the shape of a hexagon.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Research the natural habitat of a honeybee using books or the internet
- Create a honeycomb collage
- Look at a traditional football, what shape are the white sections?
- Watch the Number Blocks episode of 'The Treasure of Hexagon Island" on Cbeebies

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.
